

CPR for Life

Press Release: For Immediate Release

Project: Dylan Tucker, a senior at Santa Cruz High, organized CPR for Life. As a pilot program, he has set up CPR classes for all incoming freshman. He has recruited the American Red Cross and the Fire Department to teach the courses.

Goal: By CPR certifying all high school students as a graduation requirement, Dylan hopes that California will become the safest place to have a heart attack. Imagine if all California citizens were CPR certified -- we could save thousands of lives.

Dates: September 26, 27, 28: 9:45-11:15 AM and 12:00-1:30 PM.
October 2, 3, 4: 12:00-3:15 PM.

Location: Santa Cruz High School. 415 Walnut Ave
September: Room 23 (Science Bldg)
October 12:00: Room 40 (Shop Bldg)
October 1:45: Room 17 (Math Bldg)
